Is There a Calling After Death?

What do people DO after they die? Loosely based on the tenets of the Mormon Church, in this stunning novel, a high priest named Eber passes through the veil of death and discovers what is on the other side.

DARK – Millennium 3 describes what Eber encounters in his new environs. He meets people he knew in mortal life and some who lived before he was born. In the spirit realm, he experiences both the Dark region of unenlightened spirits, and the Light region sheltering those who have progressed. Called to be a Ministering Angel, he ‘works’ in the Dark region, seeking to bring enlightenment to those caught in their own Dark spirit prison.

Eber was tested in life, and now he is being tested in death. *DARK* will open your eyes to the possibilities of the universe as we all enter the third millennium.
